

Yuan Ze University College of Engineering Regulations on the Organization of the Curriculum Committee

Article 1 In accordance with Article 24 of the Enforcement Rules of the University Act and Article 10 of the Organizational Regulations of Yuan Ze University, a curriculum committee is established by the College of Engineering (hereinafter referred to as the Curriculum Committee).

Article 2 The Curriculum Committee shall be chaired by the Dean of the College of Engineering, and the other committee members shall be members of the College Affairs Meetings. Curriculum Committee meetings shall be convened alongside College Affairs Meetings.

In addition to the aforementioned members, 1–2 scholars, experts, and industry representatives not affiliated with YZU and 1–2 student representatives (including alumni) shall be invited to assist with curriculum planning and consultations; their opinions may be solicited in writing if necessary.

Article 3 The responsibilities of the Curriculum Committee are as follows:

- a. Planning common compulsory courses within the College of Engineering.
- b. Reviewing revisions to the curriculum and programs offered by each department within the College of Engineering.
- c. Coordinating and integrating the necessary teacher qualifications and resources for offering College of Engineering courses.
- d. Other matters relating to the curriculum.

Article 4 A quorum of at least half of all committee members is required to convene a Curriculum Committee meeting. Curriculum Committee meetings shall be convened at least once each semester, and all resolutions shall be forwarded to the University Curriculum Committee for review.

Article 5 These regulations and their amendments shall be promulgated following ratification by the College Affairs Meeting and approval by the University Curriculum Committee and the University Affairs Meeting.
